#### Hospitals

“ We can communicate within our health system and externally to our network. Providers are able to connect directly with the specialists on call without worrying whether the specialist received the message. ”

**CAROLYN KNAUP, RN, MHA**  
Senior Vice President of Ambulatory Services & Physician Operations  
WakeMed Health and Hospitals

#### Physicians

“ It is obvious that RapidConnect was truly designed with the physician in mind and we were especially impressed with MD Interconnect’s understanding of our clinical environment. ”

**DANIEL LUM, M.D. FAAP**  
Medical Director LCHPCIN  
Lurie Childrens Health Partners  
Clinically Integrated Network

Finally...a messaging solution physicians will want to use.
